

Agenda ASA Day
Crowne Plaza Hotel, Dublin, Ireland,
Wednesday 9 September 2020, from 09:30 to 17:30

Background

This first of a kind ASA Day is intended to identify the main challenges that ground handlers (GHSPs) currently face and that await them tomorrow, and to propose common solutions wherever possible through debate, experience sharing and reflection. The conference, unlike other similar themed events, is organized by the Airport Services Association (ASA) – the international voice of ground handling – and is targeting GHSPs of any origin and size to solicit and debate their points of view. The event is free of charge and open to the whole GH community.

It is organised in tandem with, and precedes, the Airline Ground Services' (AGS) famed Global Networking Summit of 10 and 11 September.

Agenda
